Letter of Reference for:

Serianni Construction Ltd.
5 Endicott Terrace
Welland, ON
L3C 5B1

TO WHOM IT MAY CONCERN:

Raimondo + Associates Architects Inc. have had the pleasure of working with Serianni Construction Ltd. over a number of years and on a number of varied projects. During this time, we have found Mario Serianni, and all the site supervisors to be extremely knowledgeable and cooperative through the course of the project construction.

In the last few years, we have had the pleasure of working with Serianni on the following projects:

Bartlett Trucking Renovations, Port Colborne
Sir Winston Churchill Studio Renovations, St. Catharines
Numerous projects for Niagara College, Welland and Niagara on the Lake

We have been very pleased with their expediency in handling these projects. Their follow-up to detail, both during construction and through the building warranty period, was most professional.

I would not hesitate in recommending the use of this General Contractor for any projects you might be contemplating. Should you require any additional information please do not hesitate to contact the undersigned.

Yours truly,

RAIMONDO + ASSOCIATES ARCHITECTS Inc.

Steven Bernier, Associate
Technologist OAAAS, A.Sc.T.
