Re: **SERIANNI CONSTRUCTION LTD. of Welland, ON**
Letter of Reference

To Whom It May Concern:

This letter of reference attests to the qualifications and capabilities of Serianni Construction Ltd. of Welland, ON. We have worked with Serianni on several projects and most recently they were the general contractor awarded a project in the tourism sector through a public tender where we were the prime consultant. That project was completed on time and on budget with no extras..

We find their management and supervision team easy to work with, and their field personnel are professional and competent. We would recommend Serianni for consideration as a general contractor on any future project.

Sincerely,

HALLEX ENGINEERING LTD.
