Re: Letter of Reference for Serianni Construction Ltd.

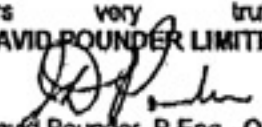

To whom it may concern,

We have worked with Serianni Construction Ltd. on a number of projects and found them to be quite capable in supplying both on-time and on-budget construction projects.

They are quick to notify us upon discovery of hidden items and in determining a cost effective solution.

We would have no hesitation to recommend them for further work or to work with them in the future.

Yours very truly,  
J. DAVID POUNDER LIMITED
