Dear Sir or Madam

We are pleased to acknowledge and express our business association with Serianni Construction Ltd.

During the past 10 years Procon has utilized Serianni Construction for providing and successfully fulfilling our Civil construction requirements.

Serianni Construction approaches each and every undertaking in a professional and systematic manner, continually focusing on the project until it's successful completion.

Procon will continue to utilize the services of Serianni as our relationship has proven to be mutually beneficial enhancing the relationship with our present and future customers.

We would not hesitate in recommending this company as a trustworthy and dedicated constructor.

Yours truly
Joe Spadafora
