To Whom It May Concern:

It is with great pleasure and confidence that I write this letter endorsing the work and performance of Serianni Construction Ltd.

As a TDL preferred contractor, Mario and Ross have successfully bid and completed a number of our projects over the past few years.

Their workmanship, attention to detail and professionalism is unsurpassed. Serianni Construction has consistently completed all TDL projects on time and more importantly, on budget. I have found that all aspects of their company work very effectively and efficiently, including their sub-trades, employees, and administration.

I look forward to our continued relationship with Mario and Ross, and have no hesitation in recommending their company to any of their potential customers, and am very confident their potential customers will also enjoy the same successful relationship as TDL does.

Should you have any questions or concerns whatsoever, please feel free to contact me direct on my cell phone at 289-259-9915.

Sincerely,

---
